BOSTON **LIVING** OR SALE *house* **WARMING**

We scoured Boston and beyond for the most luxurious homes to hibernate in this winter.

By **Susan Berube**

With breathtaking views of Boston's waterfront and skyline, this newly renovated Harbor Towers residence offers more than 2,500 square feet of living space. Featuring a state-of-the-art kitchen, two guest bedrooms, and a private office, the residence has custom-designed paneling and a sound system wired throughout. A plush master suite is complete with his-and-her bathrooms and walk-in closets. Residents of the 40-story complex can make good use of the 24-hour concierge service and harborside swimming pool.

Asking: \$2.6 million
